UNT Non-Standard F&A Allocation Form

OGCA distributes a portion (32.5%) of the F&A recovered to the PIs/Co-PIs and their departments and colleges.

To request the F&A Allocation to be modified from the standard allocation, please fill in the F&A return for each investigator/department/college/institute. The total F&A return to Principal Investigator(s) (PI)/Co-Principal Investigators is 10% and to the college is 22.5%. The college has the authority to redirect all or a portion of its percentage to department(s) and/or center(s). The total F&A return to all of the 4 combined should not exceed 32.5%.

F&A for individuals with official dual appointments will be allocated between the departments according to the appointment percentages and must be approved by both Chairs and Deans.

PI/Co-PI(s)	F&A	College	F&A	Department	F&A	Center or Institute	F&A
