Field Research Request

The purpose of the form is to organize and inform the VPRI of your plan to conduct field research. During stage II and stage III of the research reopen plan, email this form to Katie.herring@unt.edu. Please include your Department Chair on the correspondence. The VPRI staff will follow up with you regarding this request in a timely manner. Refer to our website for additional information on the research reopen plan at https://research.unt.edu/unt-research-reopen-plan

If you suspect you are experiencing COVID symptoms, you can call the COVID Hotline number at 844-366-5892 or you may email COVID@unt.edu.

PI Name: ____________________________________________________________
