Creating a Team Substance

1. Log into Huron Research Suite, https://GRAMS.IACUC.untsystem.edu
2. Select “IACUC”, and from the Submissions page, select the research team to which you want to add a team substance:

3. Select “Create Substance” from the left navigation.

4. Fill in the fields on the “Creating New: Substance” smartform. All fields with a red asterisk are required. Select the Finish button when you are done.

5. The Team Substance has been created and will display under the Substances tab with a scope of “Team”.
