FALL '23 PREVIEW

RESEARCH EVENT CATALOG

The Division of Research and Innovation is excited to announce our Fall 2023 Research and Innovation Event Catalog. This semester, we have meticulously curated a month-by-month event calendar tailored to enrich your research journey. Whether you are a seasoned faculty member looking to refine your expertise or a new researcher eager to expand your skills, our diverse workshops offer valuable learning opportunities. Take advantage of this chance to grow, regardless of your experience level!

“

Research development is foundational and core to growing research activities and sponsored projects at UNT, and through these events, we aim to provide support for the UNT research community.

Pam Padilla

Vice President

“

Faculty research drives innovation and discovery. These workshops are designed to help faculty get to know the research office, navigate the research enterprise, and ultimately find greater success in granting.

Aaron Roberts

Associate Vice President

“UNT’s research development events allow faculty to evaluate research or grant funding opportunities, access invaluable resources, and collaborate with like-minded colleagues on shared projects.

Brenda Barrio

Associate Vice President

“For more information on our Fall Event Catalog and additional Faculty Research Resources, please contact Katie Herring at Katie.Herring@unt.edu.

Katie Herring

Associate Director of Research Development
